FAMILY COMES FIRST ...

Passionate Commitment

We have an unwavering commitment to building.
We don't just build new homes, we build trust, relationships and peace of mind.
We are both knowledgeable and passionate about every aspect of what we do and
we do all we can to communicate that knowledge and passion to homebuyers.

Impeccable Quality

Perhaps the most important difference is our homes themselves.
One step inside a Parivar home gives you a lasting impression of quality.
But our quality goes much deeper. Each home we build goes through a series of
quality inspections by our subcontractors and our project managers until
it is finally given the approval.

Timely Completion

Meeting deadlines is a challenge we take on willingly!
And is exactly why we deem it a major commitment to
complete every one of our projects on schedule.
