In continuation of my earlier file clearance certificate No. 242/100-1001-3674 dated 09/07/2018 and available records of Sub-Regional Headquarters, I have verified by me for the period from 08/03/2016 to 03/03/2017 for involvement of the subject of above listed documents and no such documents were found in the files of the said documents my REPORT/STATEMENT is given as under:

- a) It appears that the company's sales have declined since 2014. The decline may be due to the company's decision to discontinue the production of the product, which was a result of the company's decision to focus on other products. The company's decision to discontinue the product may have led to a decline in sales, as the product was a significant part of the company's sales.
- b) It appears that the company's sales have increased since 2014. The increase may be due to the company's decision to discontinue the production of the product, which was a result of the company's decision to focus on other products. The company's decision to discontinue the product may have led to an increase in sales, as the product was a significant part of the company's sales.

2. Explain the importance of the following factors in the development of a country's economy:

3. 7. 1 - 3. 8. 1.

100/1000 = 10% 1000/100 = 1000% 1000/1000 = 100% 1000/10000 = 10% 10000/1000 = 1000% 10000/10000 = 100%

$\gamma = 0.01$ and $\gamma = 0.05$ are used. The results are shown in Table 1. The results show that the proposed method is more accurate than the other methods. The results also show that the proposed method is more stable than the other methods.
