Clarification on Non-Applicability of Financial Documents (Directors Report, Cash Flow Statement)

The Promoter (Sai Reality) is a Partnership Firm Incorporated on 01/03/2023. Hence the First Financial Year for the Promoter is F.Y. 2022-23.

Hence (i) Balance Sheet, (ii) Profit and Loss Account, (iii) Directors Report, (iv) Cash Flow Statement, (v) Auditors Report, (vi) Income Tax Return Acknowledgement Will Not be Applicable for the F.Y. 2021-22; 2020-21 and 2019-20.

However, Directors Report is Not Applicable for any of the Year as the Promoter is a Partnership Firm and Directors Report is Not Applicable for the Partnership Firm.

Cash Flow Statement and Directors Report applicability is based on the Turnover limits of the Promoter for the Financial Year. But the promoter has not crossed the turnover limits applicable to them as per the Income Tax Act. And Hence Not Applicable for the Current Year as well.

Yours Faithfully,
