This architectural elevation drawing shows a symmetrical building facade. At the top, a horizontal band contains the word "ELEVATION" in a sans-serif font. Below this, the facade is divided into a grid of rectangular windows. The central section features a large, square window. To its left and right are smaller, rectangular windows. The facade is further divided by horizontal dashed lines, creating a series of rows. The bottom section of the drawing shows a large, rectangular area, likely representing the ground level or a base for the building. The drawing is a black and white line drawing, typical of architectural plans.
