NOTES:

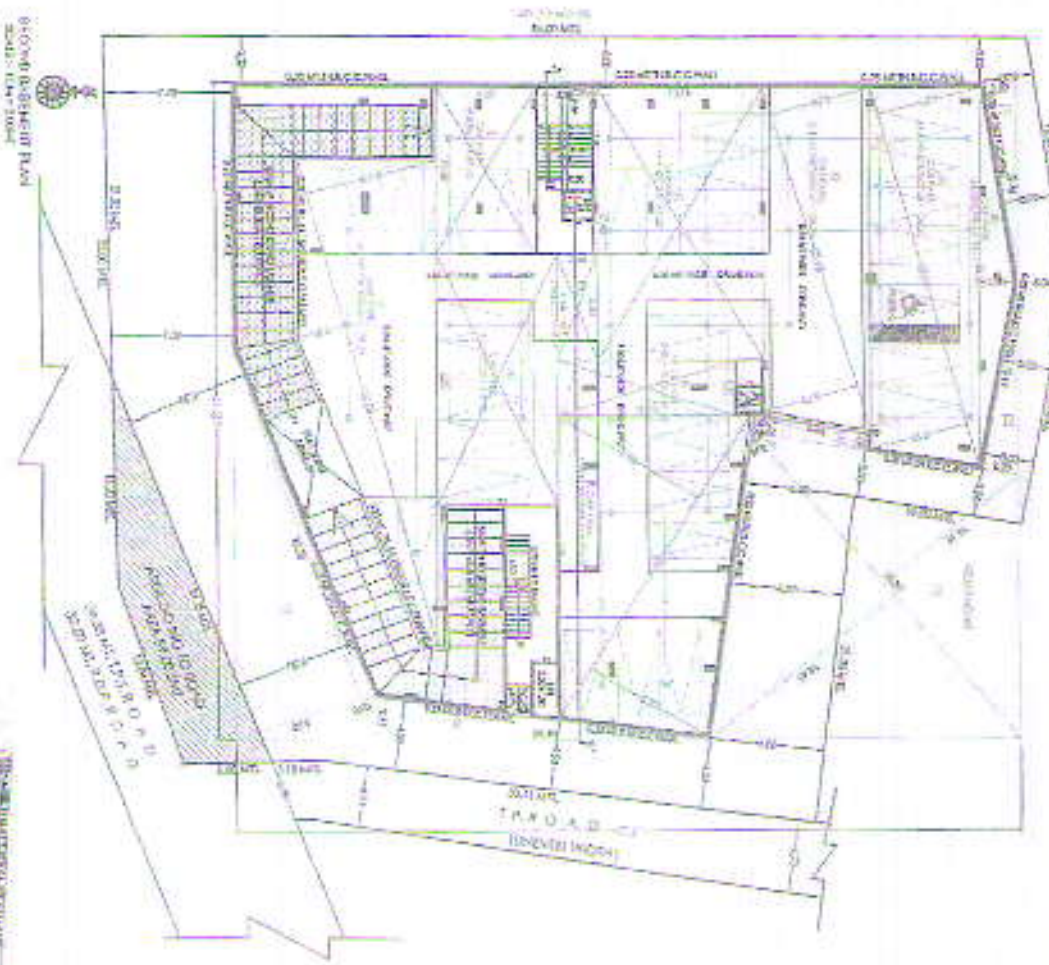

1. All dimensions are in meters.
2. The structure is designed for a seismic zone of II.
3. The foundation is on reinforced concrete piles.
4. The roof is a flat slab system.
5. The floor is a reinforced concrete slab.
6. The walls are made of brickwork.
7. The doors are made of wood.
8. The windows are made of aluminum.
9. The stairs are made of reinforced concrete.
10. The elevator is made of stainless steel.

APPENDIX A: MATERIALS

Material	Quantity	Unit	Price
Concrete	1000	m³	150.00
Reinforcement	500	kg	20.00
Brickwork	1000	m³	100.00
Wood	100	m³	50.00
Aluminum	100	m³	100.00
Stainless Steel	100	m³	200.00

[illegible]

Abstract

addition of the new text would be to clarify the meaning of the word "and" in the second sentence of the first paragraph.

[illegible]
