

Architectural drawings of a building project, including a site plan, floor plan, and a detailed section. The site plan shows the building footprint, parking areas, and surrounding context. The floor plan shows the internal layout of the building, including rooms, corridors, and service areas. The section shows the vertical profile of the building, including the roof, floors, and foundation. The drawings are labeled with dimensions, room numbers, and other technical details.

Figure 1 consists of 12 sub-diagrams labeled (a) through (l), illustrating a sequential process. Each diagram shows a flow of information or data, often represented by arrows and boxes. The diagrams are arranged in a grid-like fashion, with (a) and (b) at the top, followed by (c) through (l) in subsequent rows. The diagrams show various stages of a process, including data input, processing, and output, with labels like 'INPUT', 'PROCESS', and 'OUTPUT'.

DATE	DESCRIPTION	AMOUNT	BALANCE

Architectural drawing of a typical floor plan for a stair cabin and terrace. The plan shows a rectangular layout with a central staircase labeled "STAIRCASE" and a terrace area labeled "TERRACE". Dimensions are provided: 3.00m for the terrace width and 2.00m for the staircase width. The drawing is titled "TYPICAL FLOOR PLAN" and "STAIR CABIN & TERRACE FLOOR PLAN".
