This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 2 The assessee is also responsible for the preparation of the statement of particulars required to be furnished under section 44AB of the Income-tax Act, 1961 annexed herewith in Form No. 3CD read with Rule 6G(1)(b) of Income Tax Rules, 1962 that give true and correct particulars as per the provisions of the Income-tax Act, 1961 read with Rules, Notifications, circulars, etc that are to be included in the Statement.

Tax Auditor's Responsibility

- 3 Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted this audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
