Subject: With reference to your query in case of **VRUNVAN SKY VIEW Project** having Ack No. PR/GANDHINAGAR/GANDHINAGAR/GUJRERA/230929/015362 dated 25/10/2023.

Respected sir,

Reply to Finance Inquiry:

1. **Reason for non-uploading of financial statement:** We did not submit financial statements with our registration application because our Dwarkesh Corporation firm was **incorporated on March 27, 2023, and we did not begin any operation in FY 2022-2023**. As a result, we did not prepare any financial statements. As a result, we were under the idea that financial statements were not required. We are submitting copy of Income Tax return for AY 23-24 along with computation of income and Balance sheet and profit loss account. We are partnership firm newly incorporated so cash flow statement, Audit report and Director report is not applicable to us.

Thanks and Regards,

For, Dwarkesh Corporation
