

Figure 1 displays a series of 12 floor plans for a residential building, showing the layout of rooms and the placement of the proposed fire alarm system. The plans are arranged in a row, with dimensions and room labels. The rooms include bedrooms, living areas, dining areas, kitchens, and open terraces. The fire alarm system is indicated by red lines and labels.

SECOND FLOOR PLAN TOWER= A TO G
BUILT-UP AREA =1834.00 sq.mt.
F.S.I AREA =1796.48 sq.mt.

The diagram shows a building facade with a central vertical element and two side wings. Red rectangles highlight the side wings, and a red line highlights the central vertical element.
