

"Live" more than home....

The illustration depicts a row of modern, multi-story townhouses with a mix of brown, grey, and white facades. Each unit features a balcony with a glass railing and a prominent circular window. A paved road runs alongside the buildings, with a blue car parked on the right and a white car partially visible on the left. Green shrubs and plants are planted along the base of the townhouses. The sky is a clear blue with a few wispy clouds. The overall style is a clean, stylized architectural rendering.
