

RAJ Arcade

Advanced Business Hub with Progressive

RAJ ARCADE will be another outstanding office park developed by VANDEMATARAM GROUP. It will offer excellent access to the entire city, while providing a refreshing, enjoyable Business environment.

The project is designed to provide everything that people need to do business productively and yet live life to the full. The buildings have generous receptions creating an excellent first impression to visitors, and all floors enjoy excellent natural light and high flexibility for partitioning.

The materials selected for the construction have the best quality impact. RAJ ARCADE has the best quality construction assurance.
