The first of these is the *Journal of the American Medical Association* (JAMA), which has been the most influential of the medical journals in the United States. It was founded in 1883 and has since then published a wide range of medical research, including clinical trials, laboratory studies, and reviews of the literature. The journal is published weekly and is one of the most widely read and cited medical journals in the world.

Commonwealth of Massachusetts

Department of Transportation Division of Transportation Planning

July 1, 1971

Dear Sir:

I am pleased to inform you that the Department of Transportation has received your letter of June 15, 1971, regarding the proposed project for the construction of a new highway interchange at the intersection of Route 1 and Route 28 in the town of Needham Heights. The project is being considered for funding under the Federal-Aid Highway Act of 1966, as amended.

The Department is currently reviewing the project and the information provided in your letter. We will be in contact with you again as the review progresses.

Sincerely,
[Signature]
