

TO WHOMSOEVER IT MAY CONCERN

Since our Limited Liability Partnership has been formed on 19.09.2016 and the first accounting year has ended on 31.03.2017, the income tax return is yet to be filed and is due on 30.09.2017.

Thus the required Audited Balance Sheet, Profit & Loss Accounts, Cash Flow Statement and Auditor's Report are in process and we are unable to provide the same as they aren't complete.
