LIBERTY SQUARE

Spacious, sustainable and truly inspirational, Liberty Square – Gateway to lifestyle, is a new world-class development, strategically located in lush green city Gandhinagar, capital of Gujarat. Make shopping, work and leisure a great experience.

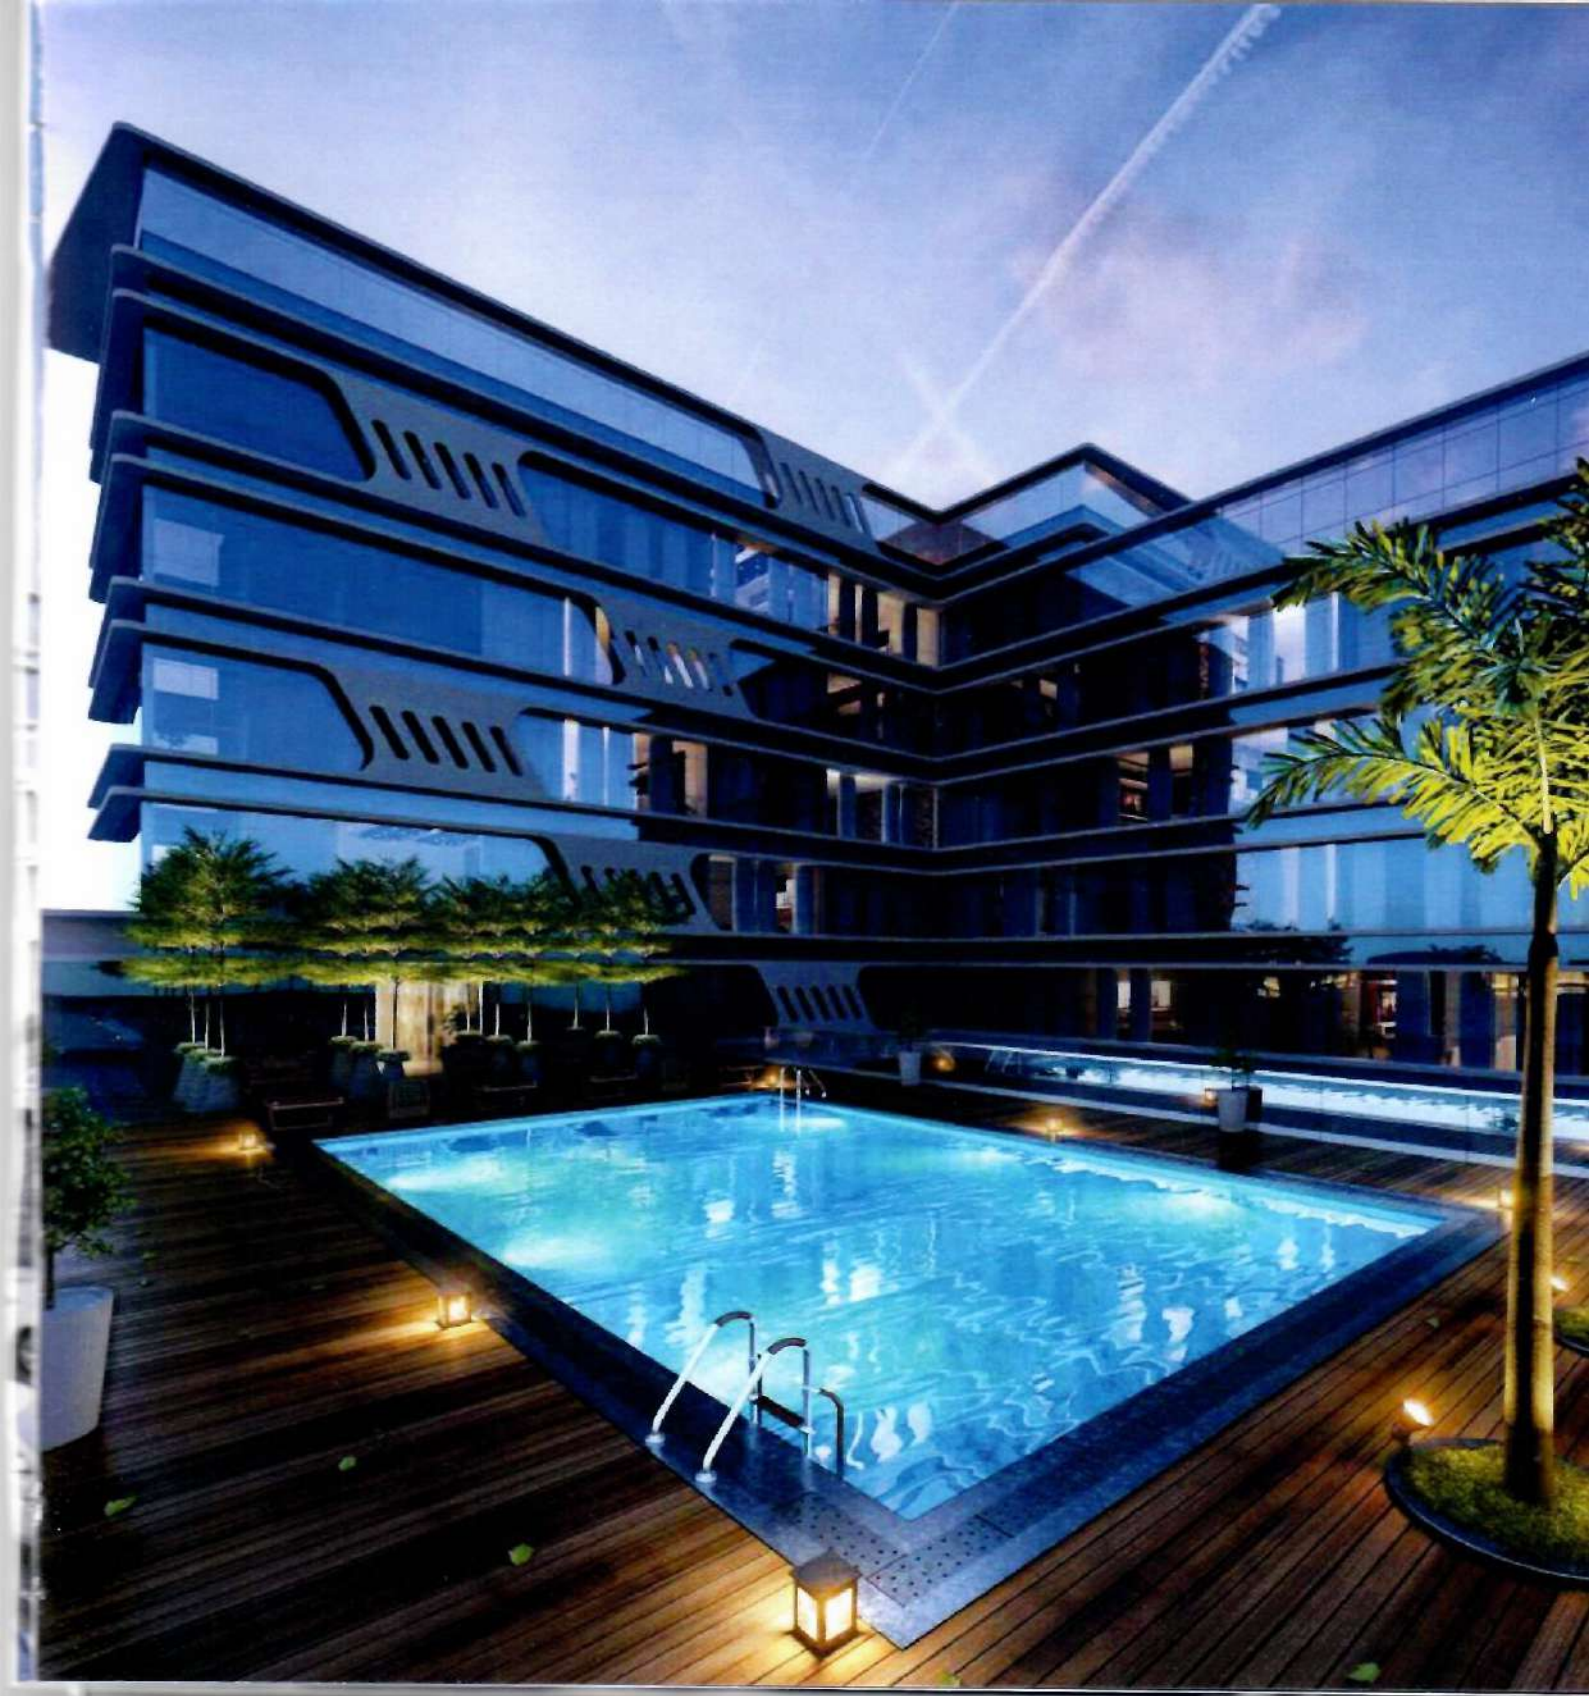

Witness the most pioneering conception in the city, carving a niche for tomorrow's horizons with lush greenery surroundings that will make this a getaway from the bustle of the city. The availability of large spaces, excellent roads and urban planning only at Gujarat's capital. It provides corporate occupiers with the valuable opportunity to establish their operation in the midst of a thriving commercial quarter, Liberty Square is a unique mall offering unlike any other currently on the market.

It is a hotspot for the people be it the young or the old, for the modern or the ethnic, for the sophisticated or the conservative. Right from jewellery brands to cosmetics, apparel to eating joints, electronics to books, you find just everything in this retail buzz arena. Visibility in a prime location is the key to success of any brand. In today's times the retailers are hard pressed with declining margins and high competition to offer the best to the customers, hence it makes it inevitable to be present in the most happening business location. To put your new one roof destination address right in the heart of this business packed location.
