WHEN WAS THE LAST TIME YOU FELT
THE SENSE OF GREAT ACHIEVEMENT?

Perhaps the greatest achievement you can have in life, is to live a life that is larger than life itself. After you have ran all your daily races and braved the world's challenges, at the end of the day, home is where you recollect your lionhearted feats with pride and contentment.

To procure a home that inspires you to do more and be more every day, is a great achievement in itself.

WHEN WAS THE LAST TIME YOU
TALKED YOUR HEART OUT WITH
YOUR DEAR ONES?

How wonderful it is when ordinary things become extraordinary just by doing it with the right people! When heart-to-heart connections are profoundly felt and a simple moment of quiet becomes magical. When rainfalls feel even more divine and nights are spent whispering to each other under the canopy of a magnificent starlit sky. When you experience the heavens above sing for you, life becomes a journey to be cherished.

WHEN WAS THE LAST TIME YOU
BECAME A CHILD WITH
YOUR CHILDREN?

Concealed deep within the visage of every parent, is a child that longs to play with their children. A child that wishes to come out and let its soft playful side show.

All the riches of the world seem dull before the mischievous laughter of children. When you laugh your guts out with your children, that is when every effort of your life discovers a meaning.

WHEN WAS THE LAST TIME
YOU LAID YOUR HEAD BACK AND
SAID "THIS IS LIFE!"

What is this life if not a journey of exploration of self? If not a walk in the labyrinths of
your own mind and soul?

And to feel connected with your innermost infinite self, is a sentiment that is truly timeless and idyllically
prodigious. Because life is not a matter of merely existing. It is to be lived one day at a time, while relishing
the wonders of each moment and immersing in the serenity of self-transcendence.
