Creating A New Business Boom...

Work - Output - Productivity. Multifarious features under one circumference. A commercial scheme calls for multiple responsibilities. Within a sleek ambience, it should also serve the purpose of a business to thrive, to climb new ladders of success...

Tangent is one of its kind commercial scheme, based in the well developed area of Gandhinagar, Sargasan, the hub of thriving economy. A prime spot has its own advantages like easy accessibility and good visibility. Within all the ease, comfort, convenience and luxury of a premium building space, we create opportunities such that your business gets a boost and becomes an enthralling experience.

Meeting clients' demands, we offer spaces which can be spruced up to create new heights of glory. The vibes of each space within the building breathe positivity, encouraging an outlook and approach that leads towards pinnacles of fame. With unique offerings for showrooms, retail outlets/ shops, offices with attractively landscaped open to sky patios, certain features are introduced, which would be seen for the very first time in Gandhinagar, indeed, revolutionizing the office spaces. The entire perspective of work with leisure is accentuated with an accurate blend of the space with the intent of maximizing productivity and creating apt opportunities for quick relaxation and de-stressing techniques.

Tangent is in tune with **the new mantra of work with leisure**, where work never tires you, where spending every moment is a pleasure...
