- w. That the remuneration for his services from the project shall be increased by interest at 10% p.a.
- x. That the remuneration for his services from the project shall be increased by interest at 10% p.a.
- y. That the remuneration for his services from the project shall be increased by interest at 10% p.a.
- z. That the remuneration for his services from the project shall be increased by interest at 10% p.a.

What Is It?

- It's that long theoretical paper that philosophers have developed for the sake of argument about how the world works.

It's a philosophical paper.

It's a paper.

Significance

The concept of a philosophical paper is significant in that it is a way of thinking and writing that is not restricted by any particular theory.

Writing the paper is a philosophical activity. It's a way of thinking and writing that is not restricted by any particular theory.

It's a paper.
