Subject: Clarification of not providing the Financial Statement for FY 2021-22

Dear Sir,

We partner of Dharti Developers are the promoter of project "Shivam Elegance". We are in process for the project registration with the RERA. In which we have to upload the Financials and ITR of the firm for the past 3 years.

We would like to inform the authority that the firm has been incorporated on 26/03/2021. However, till 31/03/2021 we had not even a Bank account or there were not any financial transactions in firm. As there were not any transactions in the firm, we had not filed income tax return.

So, we would like to request you to consider this clarification against your queries. And further process for project registration application.

Thanking you,

For, Dharti Developers,
