THE HISTORY OF THE UNITED STATES

BY JAMES M. SMITH

NEW YORK

The history of the United States is a story of the growth of a great nation from a small colony of English settlers. The first settlers came to the New World in 1492, and the first permanent English colony was founded in 1607. The colonies grew and developed, and in 1776 they declared their independence from Great Britain. The United States has since become a great power, and its history is a story of the struggle for freedom and the pursuit of the American dream.
