

Development permission is granted to the condition that it shall be the responsibility of the applicant and his Architect/Engineer/Surveyor/Structural Engineer to ensure that the building is designed in accordance with the specifications in structural design to ensure safety of the buildings and as per the approved drawings. The applicant shall ensure that the building is not used for any purpose other than the intended use. The permission is valid for a period of 12 months from the date of issue. The permission expires on 29/11/2022.

Consent for sub-divisional sanction under the provisions of the Gujarat Town Planning Act, 1964, is granted for the building. The building is proposed to be used for residential purpose. The permission is valid for a period of 12 months from the date of issue. The permission expires on 29/11/2022.

TOP OF STRUCTURAL HT= 8.739 + 67.18 = 75.919 MT.  
(WHICH IS LESS THAN HT OF 76.20 MT AMSL AS Permissible By Airport Authority Of India)
