

A photograph of a construction site for a building labeled 'Block-A'. The building is under construction, showing brick walls and concrete pillars with rebar protruding from the roof. In the foreground, there is a large pile of sand and a smaller pile of gravel. To the right, there is a large stack of red bricks. Two children are standing near the brick stack, and a man in a red and white checkered shirt is standing nearby. The background shows a clear sky and some distant trees.
